Thank you for making the decision to join the Association for Career and Technical Education (ACTE). You are now part of the largest national association dedicated to the advancement of education that prepares youth and adults for successful careers.

As a member you now have access to all ACTE membership benefits and services. Here is just a rundown of the most popular:

- **Fabulous resources.** Head to the [ACTE store](#) and search for the latest titles of interest for career and technical educators, as well as brochures for parents and students. Apply your member discount and save!
- **Great rates on insurance.** Through ACTE's relationship with [Forrest T. Jones](#), you get great rates on a variety of insurance plans. The most popular include 10-year level term life, Headstart, and long-term care. You can also save on your car insurance through Geico.
- **Access to job information.** Whether you are looking to relocate or trying to help a friend find a job in career and technical education, the [ACTE Job Bank](#) can help.
- **Award-winning publications.** [Techniques magazine](#) and [Career Tech Update](#) provide you with the latest information on what's happening in career and technical education.
- **Excellent professional development.** [ACTE's Annual CareerTech Vision and Career Tech Expo](#) offers educators a chance to network and learn from the best. [ACTE's National Policy Seminar](#) puts the power of Congress in your hands. Both are events that you must experience.
- **A voice on Capitol Hill.** ACTE is the only association that [advocates](#) on behalf of the entire career and technical education field. As a member you have lent your voice to helping ensure that career and technical education remains a valuable career path.

To learn more about the benefits of membership, please explore the ACTE Web site at www.acteonline.org.

Once again, thank you for joining and please let us know by [e-mail](#) or phone ([800-826-9972](tel:800-826-9972)) how we can make your membership experience more valuable and enjoyable.
