

Digital Camera Project

- 1) Find three digital cameras priced between \$100.00 and \$200.00 and use the following table compare and contrast them. Based on your findings determine which would be your camera of choice for either yourself or your family.
- 2) Write a two paragraph summary of why you would choose that particular camera.

| Name/Model | Price | Key Features | Advantages | Disadvantages |
|------------|-------|--------------|------------|---------------|
| | | | | |
| | | | | |
| | | | | |

Camera of Choice:
