Ms. Karen Yvette Smith
4627 Winthrop Dr
Atlanta, GA 30337-5417

Dear Karen:

Welcome to Another Great Year with ACTE!

We're excited to have you aboard! Together, we're positively impacting countless lives across the country through career and technical education (CTE). As a CTE professional and ACTE member, YOU make the difference!

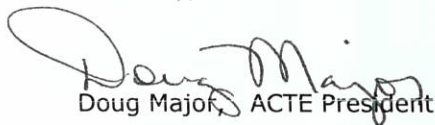

We have received and processed your membership renewal, and your new membership card is attached below. Use it as your passport to accessing the full value of your membership.

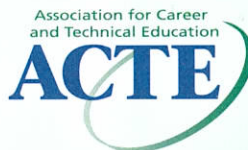

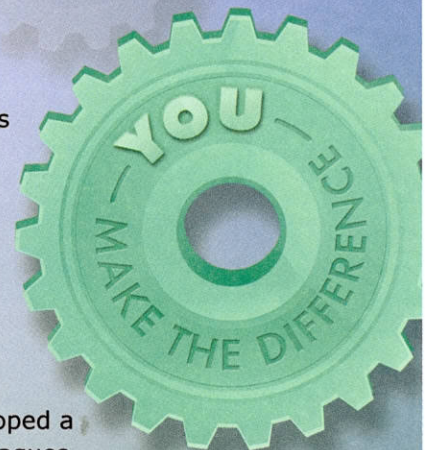

Making a difference in education also means educating our profession about the pride of working together and speaking with a unified voice -and so we've developed a handy quick reference card for you to use when talking about ACTE to your colleagues and community leaders. If you need more to share, just let us know!

We always love to hear from our members. If you have any questions or need assistance, please contact us at 800-826-9972 or by e-mail at memberservices@acteonline.org.

On behalf of everyone here at ACTE, thank you for your ongoing partnership.
Together, we're making it work!

Sincerely,

Doug Major, ACTE President
