

## SAVING OUR ENVIRONMENT PROJECT

1. Students will be divided into groups (3-4)
2. In their groups, students will discuss environmental issues
3. Students will compile a list of questions related to environmental issues
4. Each group will divide the questions for students to contact a lawyer
5. After talking to a lawyer and researching the issues, students will prepare a presentation of their findings (of their top 3 issues) to be presented to the class. Students may choose to do PowerPoint, skit, poster, etc.)
