

FBLA

Newsletter Assignment

Create a newsletter for the Tri-Cities High FBLA chapter. Give background information about the organization. Find images to compliment your organization. Make up events that you think the FBLA organization should host, and include it in the organization as though you were one of the leaders of the Tri-Cities High FBLA organization.

1. Use the Internet to research your local organization. Contact information, address, phone number, website for your organization.
2. Write an article about your organization using Microsoft Word. Follow guidelines for article given in assignment requirements. Import article onto front page of newsletter.
3. Use the Internet to ascertain numerical data concerning your organization. Create and import a graph or chart that illustrates the data you found.
4. Complete newsletter. Refer to assignment requirements and elements of a newsletter: a. Banner, Nameplate b. Photographs
